You are invited to participate in a three-day event for CERT and MRC teams that will simulate actual deployment and real life response conditions in actual emergencies.

This exercise will provide training for CERT and MRC for:

- ❖ Red Cross
- ❖ Medical support
- ❖ Emergency ICS Management
- ❖ CERT Field Response
- ❖ Landing Zone
- ❖ Communications (\$15.00 additional for Certification at sign-in)
- ❖ BLS (\$15.00 additional for Certification at sign-in)
- Ham Radio
- Search and Rescue
- HazMat Decon Training
- SkyWarn Weather Training

This exercise will implement the training received with actual hands on exercises to test skills. Participants will receive certifications for several of the training activities.

Please come prepared with adequate apparel for Search and Rescue. Shorts, open toe shoes or flip-flops will not be allowed.
